## — THE STORY

**Slow-burning, story-driven sets with a focus on flow.**

A versatile selector and DJ for all seasons, Varist debuted his retro funky house flavor in October 2023 with Book Club Radio. Since that auspicious beginning, he has played the Wandering Woods, Lightning In A Bottle, and Book Club Radio festivals, delivered a 5-hour funky house set in Zürich, and become a fixture of the Brooklyn underground — working with Elsewhere, Dancescape, PAN!C ROOM, Under The Table NYC, Club Moledro, Newtown Radio, Off The Record, and more.
